# Need Permits Faster?

# PASS
## PREQUALIFIED ARCHITECTURAL SUBMITTAL SYSTEM

The **PASS** program has been designed to streamline permitting. It supports a more efficient and effective plan review process by implementing a clear and concise set of standards for document content and organization. Participation is voluntary and requires this training class and passing a test. There are two levels to the program. The TI level covers Tenant Improvements and small commercial alterations. The NC level covers any size Commercial or Multifamily Project.

**PASS is currently used in 18 Jurisdictions: Cities of Sacramento, Davis, Elk Grove, Lincoln, Citrus Heights, Rocklin, Roseville, West Sacramento, Woodland, Rancho Cordova, Folsom, Galt, Modesto and Oakdale; Counties of Sacramento, Placer, El Dorado and Stanislaus.**

**GET CERTIFIED NOW**

## WHO SHOULD CONSIDER TAKING THE CLASSES?

✓ **Architects, Engineers, Contractors and Designers**

The PASS registry is open to anyone who can legally sign documents for commercial projects and who want the benefits of streamlined permitting at 18 participating jurisdictions

## ABOUT THE CLASSES
PASS training provides detailed background of the PASS program operation, as well as hundreds of specific examples of program vetted best practice examples of construction drawing content and organization. There are modules on Document Coordination and Code Analysis. Those wishing to use PASS to streamline permitting take an exam and successful candidates are placed on the registry of prequalified professionals who may sign for PASS submittals at any PASS jurisdiction.
