

Need Permits Faster?

The PASS program has been designed to streamline permitting. It supports a more efficient and effective plan review process by implementing a clear and concise set of standards for document content and organization. Participation is voluntary and requires this training class and passing a test. There are two levels to the program. The TI level covers Tenant Improvements and small commercial alterations. The NC level covers any size Commercial or Multifamily Project.

PASS is currently used in 17 Jurisdictions: the cities of Sacramento, Davis, Elk Grove, Lincoln, Citrus Heights, Rocklin, Roseville, West Sacramento, Woodland, Rancho Cordova, Folsom, Galt, and Oakdale; as well as Sacramento, Placer, El Dorado and Stanislaus counties.

WHO SHOULD TAKE THE CLASS?

✓ Architects, Engineers, Contractors and Designers

The PASS registry is open to anyone who can legally sign documents for commercial projects and who want the benefits of streamlined permitting at 17 participating jurisdictions

✓ Plan review professionals - jurisdictions using or adopting PASS

✓ Anyone seeking knowledge of Construction Documents and the Permit Process

ABOUT THE CLASS

The three hour training will familiarize attendees with the PASS program including technical requirements for program participants. At the completion of the class, there is a short exam. Successful participants can be placed on a registry list of prequalified individuals who may sign for PASS submittals at any PASS participating jurisdiction.
